A Good Mix of Fun from Your Locally Owned Printer.

Grandpa, did you ever letter in sports when you were in school?

I understand being a responsible adult ... but every day? Every single day? That seems a little excessive.

Three tons of hair were stolen from a wig factory. Police are combing the area.

Jane, I'm going to be a little late, I'm tied up in traffic.

I was at a job interview today when the manager handed me a laptop and said, "I want you to try to sell this to me."

So, I put it under my arm, left the building, and went home.

Eventually, he called me and said, "Bring my laptop back now."

I said, "\$200 and it's yours."

Yes. I found my lost glove. Now I'm looking for the one that wasn't lost.

The gym gives you energy, but you need energy to get to the gym. Feels a bit like a pyramid scheme if you ask me.

Our team just adopted a new filing system called "Somewhere Safe." We will never see those papers again.

Boss: Can you work this weekend? Me: Yeah, no worries, but I'll probably be a bit late as public transport is slow on weekends. Boss: What time will you get here? Me: Monday.

Wanted: Someone to brush their teeth with me because 9/10 dentists say brushing alone won't help tooth decay. No weirdos, please.

My to-do list and I agreed to see other people in 2026.

I reorganized my desk using the KonMari method. The only thing that sparks joy is the coffee.

I was so surprised when the stationary store moved.

There's just not A lot we can do about being thin skinned.
