A Good Mix of Fun from Your Locally Owned Printer.

My teacher said I don't pay attention, at least that's what I think she said.

...

Me: "Alexa, play 'Motivation.'"

Alexa: "That track does not exist."

I love a good to-do list. I just wish mine loved me back.

Being an adult means saying, "After this week, things will slow down," every week until you die.

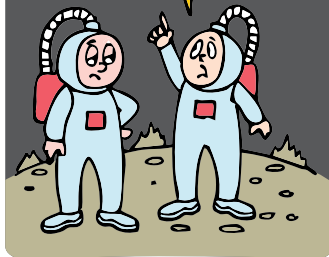

Is it okay to keep that funny noise the engine is making?

Coworker: "Are you going to the gym after work?"
Me: "No, I'm avoiding stress the natural way ... through snacks and denial."

I mailed out thank-you cards and immediately felt like a functioning adult. It lasted 12 minutes.

I'm not kidding, I just saw a cow fly over.

...

My oven has a setting called "broil," which is just code for "burn the top, leave the middle raw."

Me: "Can I leave work early?"

Boss: "Why?"

Me: "To mentally prepare for being here tomorrow."

I cleaned out my inbox. Now I only have 11,497 unread emails.

Coworker: "Did you send holiday cards this year?"
Me: "Yes. It was either that or learn how to bake."

Just once, I'd like a username prompt to say, "Close enough."

I asked my wife why she married me. She said, "Because you're so funny and make me laugh so much." I told her I thought it was because I was so charming and good looking. She replied, "See? You're hilarious!"

You're only going to pay us chicken feed for those eggs?

IF MY LIFE WERE A FOLDED CARD...

Cover: *You're Doing Great!*
Inside: Mostly. You remembered pants today. We count that as a win.

Cover: *Thanks for Everything*
Inside: Even though we both know you brought store-bought cookies and passed them off as homemade. Again.

Cover: *Season's Greetings*
Inside: Which season? All of them. I lost track somewhere between October and next Thursday.

Cover: *Let's Stay in Touch*
Inside: Until one of us changes phone plans and loses all our contacts forever.

Cover: *You've Got This!*
Inside: Probably. Maybe. Honestly, no one really knows. But you look confident.

Cover: *Thinking of You*
Inside: But not in a creepy way. Just a "hope your coffee's strong and your meetings are short" kind of way.

Cover: *I Appreciate You*
Inside: Because you answered my email when six other people hit "Reply All" and bailed.

My girlfriend said, "You act like a de-
tective too much. I can't continue this
way; we need to split up." "Good idea,"
I replied. "We can cover more ground
that way."

I think they picked me for my moti-
vational skills. Everyone always says
they have to work twice as hard
when I'm around!
